CRYPTOCURRENCY OPTION

# for NEW | EXISTING | GROUP laboratories

▶ **NEW LAB**
If NEW+, get the totally integrated LabEcoSys LIS, Billing, Inventory, Reports, Dashboards, Online Referrer System, Computerized Physician Order Entry, iPatient-Portal, Email and SMS notifications.

**www.LABECOSYS.com**

▶ **EXISTING LAB**
If EXISTING+, keep your existing LIS CoreLab and get integrated with Billing, Inventory, Reports, Dashboards, Online Referrer System, Computerized Physician Order Entry, iPatient-Portal, Email and SMS notifications for one Total Laboratory Information System. No more problems with many software, no more Information Silos.

▶ **GROUP LAB**
If GROUP+, benefit from integrating the entire Laboratory Group for realtime centralized management using latest in secure healthcare cloud laboratory delivered technologies for global reach referencing PDPA 2010 and HIPAA guidelines.
